

The Impact Of Higher Qualification?... (A New Theory on “Common Sense Deficiency”)

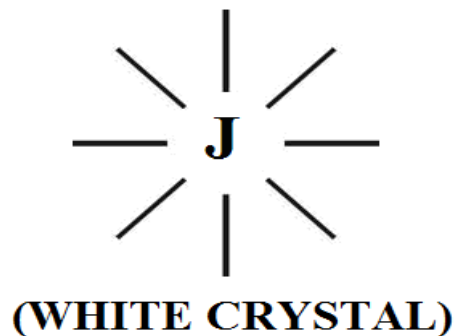

¹M.Arulmani , ²V.R.Hema Latha,

¹B.E. (Engineer) , ²M.A., M.Sc., M.Phil.
(Biologist)

ABSTRACT: The Scientific research article focus that the “Common Sense domain” of Human Brain shall be considered subject to consistent deficiency due to impact of “SALT CONTENTS” deficiency rather than acquired higher Qualification and sometimes deviate brain system.

This Research focus that “SALT” shall be considered as the “Natural Product” formed due to impact of “J-RADIATION” (also called as “Virgin Light”). The Natural salt shall also be called as “White crystal” having balanced Minerals which play vital role on “human cell growth” under three domain of human cell system “RNA”, “HORMONE”, “DNA” region.

(i)

(ii)

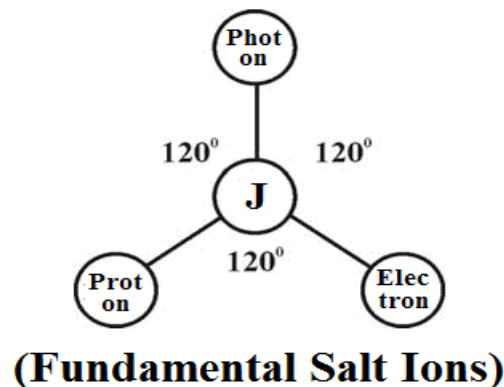

This research further focus that the Imbalance in the intake salt contents shall be considered as affording imbalance to **three domain of brain system**.

[1] Common sense domain

[2] Intelligence domain

[3] Wisdom domain

The imbalance in salt intake shall lead to salt deficiency during **cell growth** and ultimately lead to various disease like **Mental stress, Thyroid, Memory loss** etc.

The “**three fundamental ions**” of salt considered essential for balanced growth of Brain System of human.

- [1] “**Photon**” essential for “**RNA**” balance
- [2] “**Electron**” essential for “**HORMONE**” balance
- [3] “**Proton**” essential for “**DNA**” balance

It is further emphasized that the **Natural salt** shall be considered as “**SOUL**” of Human system and for promoting “**PEACE**” of human Brain system.

“White crystal” shall be considered as fundamental “Element” and considered as “Genus” to Various “Species matters” such as White sugar, Brown sugar, sugar free ice cream, etc.”

-Author

Key Words:

- a) **Infant** common sense
- b) **LKG** common sense
- c) **UKG** common sense
- d) **Primary** common sense
- e) **Secondary** common sense
- f) **Higher Secondary** common sense
- g) **Academic** common sense

I. INTRODUCTION:

It is focused that under the present environment condition human immunity and thinking level shall be considered as gradually lost due to impact of “**White crystal deficiency**” and lead to **various disease**. Case study shows that world wide 2 billion people affected by salt deficiency leading to physical and mental disabilities. It is focused that the **Ancient human** (1st generation population) shall be considered as having “**enriched common sense**” due to balanced environment. During the course of **expanding Universe** the Balance of Neutrino ions **photon, electron, proton** considered disturbed in three “**Nuclear ages**” and hence scientists have to find out new solution for balanced intake of **Sodium, Chloride, Iodine** substitute for sustainability of comfortable life by **modern human** (3rd generation population) It is further focused that the **Ancient human** population shall be considered as strong in physical, Mental, Instructional power environment and hence they could be able of construct huge structure like “**Egyptian Pyramids**” with advanced **mystic Technology power** though they don’t have any higher Qualifications such as **MBA., M.Sc., M.Phil., M.Tech.,** etc.

This research further strongly emphasize that enriched common sense shall be considered as essential rather than scientific empirical application.

- [1] “**Common Sense**” is like “**Rajya Saba**”
- [2] “**Intelligence**” is like “**Lok Saba**”
- [3] “**Wisdom**” is like “**Supreme Court**”
- [4] “**White crystal**” is like “**President**”

*“My illiterate mother having **ENRICHED COMMON SENSE** could produce a scientific product like me”*

II. HYPOTHESIS AND NARRATION

a) Philosophy of SALT?...

Case study shows that in **ancient period** the main source of salt was considered as “**Dead Sea**” salt is also considered “**Holy product**” and Sacramental element. “**Gandhiji**” also focused about the importance of salt through his “**Salt Movement**”. Salt is also used for preservation of Dead body to prevent **environmental Hazard**. In “**Ancient Tamil Custom**” there is a proverb that “**The salt provider should be remembered till death**”.

If so what is Salt?...

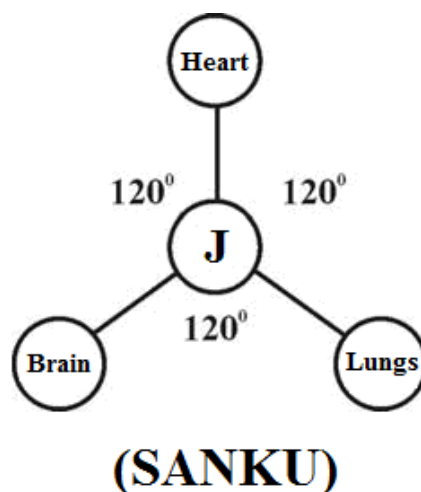

It is hypothesized that the “**J-RADIATION**” (Virgin light) shall be considered as the “**Divine Tonic**” for sustainability of comfortable balanced life.

- **Proton**” (Common sense) is like “**DNA**” (Magnetic)
- **Electron**” (Intelligence) is like “**Hormone**” (Electric)
- **Photon**” (wisdom) is like “**RNA**” (Optic)

Etymology of word SALT?...

The philosophy of “**SALT**” shall be considered as “**SOUL**”, “**PEACE**” of Human system. In medical term soul, peace shall be called as “**J-POINT**” and “**Life Point**” connecting Brain, Lungs, Heart. For keeping the J-Point under **saline condition** doctors are advising for frequent goggling with salt solution.

It is focused that the etymology of word “SALT” might be derived from the proto-Indo-European language root “SALANAM”, “SANKU”. Salanam, Sanku shall mean “Life Balance” (or) “Life knot”.

Philosophy of Word Salvation?...

It is focused that the word “Salvation” shall be considered associated with three fundamental parameters required for human life system. The philosophy of word “Salvation” might be derived from the philosophy of SALT, SOUL.

- [1] “Hope” is like “Photon” (like Iodine)
- [2] “Mercy” is like “Electron” (like Chlorine)
- [3] “Love” is like “Proton” (like sodium)

Case study on Infant common sense?...

The philosophy of infant common sense shall be considered as the state of brain within mother’s womb having enriched common sense.

(ENRICHED COMMON SENSE)

No worry... No Tension... my mother takes care...

b) Case study on LKG common sense?...

Ba... Ba... Black sheep... **Have you any salt?...** Yes Sir... Yes Sir... **Three kinds of Salt** (Muthamil Salt)

(MUTHAMIL SALT)

- [1] Right dot is like **Alkali balance** (High PH)
- [2] Left dot is like **Acid balance** (Low PH)
- [3] Center dot is like **Neutral balance** (PH 7.0 – 7.4)

Case study on UKG common sense?...

The state of common sense of human in next stage shall be described as below.

We are all **children of God**

We will build **sand house** and live happily.

Case study on Primary common sense?...

The State of Commonsense under primary education stage shall be described bellow.

We are all **human**...

We are all **Indians**...

We are all **one family**...

Case study on Secondary common sense?...

Lord Jesus... bless us for **Today Bread**

Lord Alla... bless us for **Good Health**

Lord Shiva... bless us for **Good Marks**

Case study on Higher Secondary Common Sense?...

I want to become **Great Doctor** and **Serve the nation**

I want to become **Great Engineer** and **Serve the nation**

I want to become **IAS topper** and **Serve the nation**

I want to become **Eminent Politician** and **Eradicate casteism**

I will marry **poor black girl** and **give life to her**

Case study on Academician common sense

I am Indian... **I love India**...

Bride is ok... But How much **dowry they give?**...

Bride groom is ok... But **Caste is not ok**...

We love India... but we will not obey **SUPREME COURT JUDGMENT**...

We are all Human... but we will kill our brothers **on Casteism**...

We love India... but we will not give **DAM WATER** to neighbour Indian...

We settled in US... Good bye to Indian **old parents**...

We become citizens of Canada... India is **too hot** to live...

We are great scientist... Indian mothers are **illiterate**...

Philosophy of salty mother?...

The Salty mother shall be considered as enriched with Immense of common sense rather than "**Intelligence**". The Salty mother shall be considered having huge stock of commonsense in the form of "**OCEAN OF TEARS**" and shed for the needy people for Sustainability of their "**Balanced Healthy life**". The Salty mother shall also be called in Proto Indo Europe language as "**THAI-e**"

(i)

(WHITE CRYSTAL)

(ii)

THAI-e (THE SALTY MOTHER)

III. CONCLUSION:

It is focused that the existence of Various Oceans on the **earth planet** shall be considered as the **water compound** derived from “**Ancient White Crystals**” in three **geological evolutions**. In proto Indo Europe language the “**Ocean**” shall be called as “**KANNEER**”. Kanneer shall mean “**TEARS**”

Right drop - Common sense (Love)
Left drop - Intelligence (Mercy)
Centre drop - Wisdom (Hope)

Previous Publication: The philosophy of origin of first life and human, the philosophy of model Cosmo Universe, the philosophy of fundamental neutrino particles have already been published in various international journals mentioned below. Hence this article shall be considered as **extended version** of the previous articles already published by the same author.
